Food colour – Pen

Article number: 393004

Pen – for fine writing and decorations
Colour: red

The food colour pens are suitable for painting and writing on sugarpaste, marzipan, edible paper and much more.

Description

The food colour pens are suitable for painting and writing on fondant, marzipan, edible paper, decorative elements etc. In order not to damage the surface while painting, it should be well dried. With our numerous food colour pens, you can create exquisite work of art on your tortes and cookies.

Let's get creative - and have fun! Tip: If the pen is not being used for a longer period of time, it could have dried up. This can quickly be solved! Fill a plate with a bit of water or alcohol and dip in the pen until you can use it again.
Food colour pens for painting and printing on dry and firm surfaces.
Our food colour pencils can contain azo dyes.

In display package for hanging up. With instructions.
The item is excluded from the exchange.
