Description

The perfect basic set for cake decorations: The tips can be changed easily, even with a filled piping bag. Special high quality fabric with welded seams, which is impermeable and washable.
Made of high-quality, durable nylon fabric. Machine-washable up to 95°C.

The nozzles are made of stainless steel and produced from one piece. Therefore without seam.
Stainless, dishwasher-proof, food-safe.

The coupler is made of professional and high quality, food-safe and stable plastic.
We advise to wash up with running warm water straight after use.

In folding box for hanging up. With instructions

Manual

Preparation:
Cut off the piping bag at the tip and insert attachment. Then, the tips can be changed from the outside when the piping bag is fully filled.
Changing the tips on a fully filled piping bag:
Open the screw plug on the piping bag and remove the tip. Replace it with the new tip and close the screw plug again. The tip is completely sealed.
