Description

With the help of these two spatulas, you can scrape your bowls clean from cream and dough without any problems. Fill the pastry into a baking pan or onto a baking sheet and smooth it down with the spatula or spread it on your already baked cakes. With the icing comb you can garnish your tortes in two different ways: with fine serrated patterns or with coarse serrated patterns.. Particularly suited for garnishing cream cakes. To obtain the best result, position the template at an angle of 45°. The dough scraper is made of high quality and food-safe plastic. Dishwasher-proof.
