

Cookie cutter with stamp and ejector - Bear

Article number: 055063

Stainless steel / plastic - dishwasher safe
Size: 5 cm
Colour: rose

For cutting out dough, sugarpaste or marzipan. Also suitable for crafting or modelling (e.g. modelling clay, wax)

Description

Not only children will have fun with these cookie cutters with stamp. You can cut out especially fine motives by using them. With the help of the ejector they can be put on the baking sheet very easily and the fine contours will not get damaged. The stampings are clearly visible in the baked cookies. After baking, they can be garnished with food colour pencils, icing, chocolate or sugar pearls.

We offer you a wide range of motifs with something for everyone.

Enjoy your baking!

The cookie cutter is made of high quality stainless steel and food-safe and stable plastic. We advise to wash it up with warm running water straight after use. Of course it can also be washed in a dishwasher.
