

Cookie cutter with stamp and ejector – star waved – with embossing and ejector

Article number: 169937

Plastic – food safe
Size: 6,5 x 6,5 cm / H 4,5 cm
Colour: red

For cutting out dough, sugarpaste or marzipan. Also suitable for crafting or modelling (e.g. modelling clay, wax)

Description

With these cookie cutters with stamp, three-dimensional motifs can be cut out. With the help of the integrated ejector, you can easily place the cookies on the baking tray without destroying the fine contours. The upsets are still very visible on the baked biscuit. In the middle of the motif is a recess which you can fill with jam, icing, nougat or chocolate after baking.

We offer you a wide range of motifs with something for everyone.

Enjoy your baking!

The cookie cutter is made of high quality, food-safe and stable plastic. We advise to wash it up with running, warm water straight after use. Of course it can also be washed in a dishwasher.

Fixed on cardboard for hanging up.

Manual

Note: Roll out the dough to a thickness of at least 10 mm to ensure that the indentation and structure are optimally formed!
