

Pot holder / Mat – Silicone

Article number: 256873

Silicone – food safe
Size: 18,5 x 18,5 cm
Colour: aubergine

Description

No matter if taking baking goods out of the oven or setting aside hot pots and pans – this pot holder / mat can be used in several ways.

The honeycomb structure gives it a special grip and prevents it from slipping on even surfaces.

The pot holder / mat is made of food-safe and FDA-approved silicone. BPA-free formulation.

Ovenproof and freezer safe from -50°C to +250°C. Not cut resistant.
