40 baking recipes on 170 pages

Description

Being a pastry chef is so much more than just baking: on over 170 pages you will find 40 baking recipes that will inspire you to dream. From classic pastries and creative cakes to ingenious recipes that you have never seen before, there is everything a hobby baker's heart desires. In addition to basic recipes for cake bases & Co., there are detailed instructions for more complex creations.

Since 2012, the YouTuber Cake Fairy Lisa has been delighting baking lovers from all over the German-speaking world. Her videos have garnered over 30 million views so far. All recipes were developed by her and lead you step by step to the perfect pastry for every occasion. In addition, she gives you an insight into the varied everyday life of a confectioner: She writes about her love for her job, her training and the ups and downs of the sweet business. With anecdotes and great attention to detail, she turns every kitchen into a genuine bakery.

Be inspired by sweet recipes and immerse yourself in the world of a pastry chef with body and soul!
