filling quantity: 2 g
glimmer

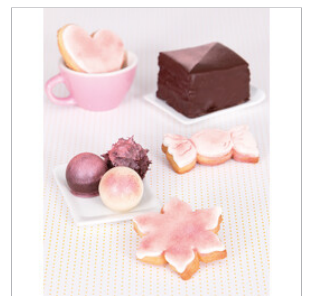

For even dusting, for example of chocolate, sugarpaste, icing and buttercream.
For a fabulous glimmer effect.

With AZO free colors!

Description

Create special mica effects with our decoration powder. With the functional pump dispenser, you can dust petits fours, pralines, fondant, chocolate, icing and even buttercream.
By using stencils, you can create exceptional effects. Just place them on the surface before dusting it.
Our decoration powder is made of a fine and coloured potato starch.
We have different colours in stock.

In display package for hanging up.
The item is excluded from the exchange.
