## Description

On the outside gripping, inside indestructible.

Our new kitchen and baking tools with soft grip coating are a must-have in any household! On the outside gripping, inside indestructible.

Our new kitchen and baking tools with soft grip coating are a must-have in any household! The icing spatulas and cake knifes come with a stainless steel blade and a sturdy, non-slip soft-grip plastic handle. The handle, which is as functional as it is ergonomically designed, enables a pleasant and professional working.

All soft grip products are dishwasher suitable.

Fixed on cardboard for hanging up.
