

Candles – Sparkling wine bottle – Article number: 910348 Set, 6 parts

Size: 5,5 cm

Description

A must on every birthday cake: decorative candles. Whether classic, as a numer or as champaign bottles... We have a huge number of different motif candels in stock for you. Just carefully press them onto the cream or buttercream cake. For cakes with a fondant, marzipan or chocolate coating, fix them with a bit of icing or CMC. Candles made of white paraffin, surface decorated with coloured wax elements and painted. Note: Never leave burning candles unattended. Never let them burn down close to curtains, drapes etc. Always arrange the candels in a vertical manner and avoid draught. Always keep a proper distance of at least 10 cm between the single candles.

In display package for hanging up
