Product information

Cookie cutter with stamp – Rabbit with egg

Article number: 116047

Stainless steel – rustproof – dishwasher safe
Size: 10 cm

For cutting out dough, sugarpaste or marzipan. Also suitable for crafting or modelling with modelling clay, salt dough or Fimo clay.

Description

These cookie cutters were made with loving attention to detail. Besides fine and precise shapes, they also have a stamping in the inner cutter. So they seem more three-dimensional and look beautiful, even without a decoration. You can also use the stamping lines on the cookies as decoration lines. In our range you can find cookie cutters with stamp from "A" like ape to "Z" like zodiac.
These cookie cutters are also suited very well for handicrafts and for cutting out modelling clays (for example sugarpaste,wax, modelling material, clay, ceramics etc.).
Take a look at one of our video tutorials!
The cookie cutter is made of high-grade stainless steel, dishwasher-proof and food-safe. The cutters are spot-welded. You can identify stainless steel due to the polished and shiny surface. This Cookie cutters can not only be used for cutting out dough, but also in the decorative and creative do-it-yourself and hobby field for modelling clay and salt dough or for felt work and candle and soap manufactury.
