

2 chamber piping bag – Interplay of colours – Set, 17 parts

Article number: 247260

Plastic – food safe

Contents:

1 coupler

6 nozzles

10 two chamber disposable piping bags (45 cm)

Description

With this piping bag set you can easily create decorations of two different colours. The two colour piping bag can be filled with two differently coloured creams.

With the help of our functional coupler, you can change nozzles, even with a filled piping bag.

The nozzles and the coupler are made of food-safe and stable plastic.

We advise to wash them up with running water straight after use.

The piping bags are made of food-safe, durable low-pressure polyethylene and only suited for single use.

In folding box for hanging up. With instructions

Manual

Cut approx. 6 cm off the tip of the two chamber disposable piping bag with scissors.

Push through the larger part of the two chamber adapter to the cut end on the right hand side, and the smaller part to the end on the left hand side of the piping bag. Place the piping nozzle onto the guide track of the adapter and fasten with the screw top.

SAFETY NOTE: Only allow children to operate under supervision!
