

Oven glove - Silicone

Article number: 256712

Silicone - food safe
Size: 19,5 x 22,5 cm
Colour: aubergine

Description

This oven-glove protects the whole hand when taking baked goods out of the oven. The honeycomb structure gives it a special grip and prevents it from slipping on even surfaces. The oven glove is made of food-safe, FDA-approved silicone. BPA-free formulation. Ovenproof and freezer safe from -50°C to +250°C. Not cut resistant.
