### Description

Create finest chocolate- and icing decorations and form cut-out motives of fondant. The house can be disassembled, so that you can use every single part of the house for forming chocolate- and fondant decorations. You can spray your own motifs or one of the six pre-drawn motifs with chocolate or icing on eight silicone pads. Then place the motifs on a part of the house to form and dry - your individual decoration is ready.

The set is made of high quality and food-safe stable plastic. We advise to wash up with running warm water straight after use.
