Manual

Dosage information:

For a gentle to soft hue, please use:

- approx. 4 drops for 125 ml clear liquid (water, sparkling wine, or similar)
- approx. 8 drops for 125 ml cream (add before whisking)
- approx. 15 drops for 125 g marzipan with approx. 60 g icing sugar

For a more intense hue, add a few more drops as desired.

NOT suitable for dying chocolate.

Ingredients

Water; Colourants: tartrazine (E102)*, allura red AC (E129)*, brilliant blue FCF (E133), brilliant black BN (E151); Acidity regulator: citric acid (E330); Preservative: sodium benzoate (E211)

*This colorants can impair activity and attention span in children.

Store in a dark, cool and dry place.

No food authorization in Norway because of E102.
