Manual

Stir thoroughly before use!

Pick up a little food coloring with a toothpick and spread in and/or on the relevant food (only use toothpick once!). Then, depending on the food, work the paste food coloring in. The food coloring paste can be thinned down with a little alcohol; then, it becomes more transparent.

Not suitable for chocolate.

Store in a dark and dry place. Protect against heat.

Ingredients

Humectant: glycerin (E422); Thickener: silicon dioxide (E551); Colourants: calcium carbonate (E170i), orange yellow S (E110)*

*This colorant can have a negative effect on activity and attention in children.
