The item is excluded from the exchange.

Manual

Areas of use (base): To spray roll fondant, marzipan, short-crust pastries, meringue and icing
The colours have an especially good adhesive quality due to alcohol-based manufacturing. For intensive colour results, apply several thin coats of colour and let the individual coats dry in between. The colours can be mixed together very well.
Tip: For smoother colour results, the colours can be additionally diluted with alcohol.

Ingredients

Water; alcohol; Colours: cochineal red A (E124)*, quinoline yellow (E104)*

*This colorants can have a negative effect on activity and attention in children.

Store in a dark, cool and dry place.
