

Permanent Protective Oven Mat

Article number: 409217

PTFE plastic – food safe – dishwasher safe
Size: 50 x 45 cm
Colour: black
Non-stick coating for the best baking results

Perfect protection for your oven

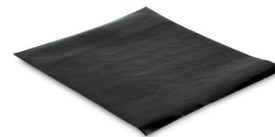

Description

Perfect protection for your oven. No more burned-on food residue or liquids on the bottom of the oven or on racks while baking, roasting or slow-cooking. Does not affect baking time, resistant to high temperatures (up to 260 °C / 500 °F), suitable for all oven types (gas, electric, convection, upper/lower heat, etc.).

Reusable and long-lasting. Can be trimmed to fit any size oven. Material: PTFE-coated fiberglass / nonstick. Dishwasher-proof. Not cut proven.

Can also be used as long-lasting baking parchment.

In folding box

Manual

Before first use, wipe down with warm water and dry off. Trim to the appropriate size.

Place inside the bottom of the oven and then bake cakes, etc., as usual. Rinse with warm water after use. Do not cut the film.

SAFETY NOTE: Do not cut on the foil!
