

Tart frame - Round - perforated

Article number: 490406

Stainless steel – rustproof – dishwasher safe
Size: ø 5,5 cm / H 2 cm
satin finished

Perfect for tarts, pies, cakes and quiches.

Description

This tart frame is used in upmarket patisserie for the production of sweet and spicy pastries.

The tart frame is particularly easy to handle and guarantees a crisp baking result thanks to the perforated stainless steel sides. When it is used on the baking tray, please place a reusable baking sheet or baking paper under it. The pastry can easily be removed from the frame. Before use, apply baking release spray or grease the frame lightly.

Flat, made of stainless steel, dishwasher-safe. Professional design.
