

Icing and decorating comp wave – 3-in-1

Article number: 503045

Stainless steel – rustproof – dishwasher safe
Size: 12 cm
Surface: glossy

For exactly, accurate cake decorations and cake surfaces.
With 3 various designs.

Description

Now precise decorations on the side of cakes and on cake surfaces are super easy! You can choose between three different templates with different motives! Particularly suitable for the decoration of cream tortes. To obtain the best result, position the template at an angle of 45°. For a safe and comfortable use, place the silicon protections on the two sides you don't want to work with.

Attention: sharp edges!
Not suitable for children!

The icing and decorating comp wave is made of high quality stainless steel. Stainless, dishwasher-proof, food-safe.

The protective cover is also dishwasher-proof.

In display package for hanging up

Manual

SAFETY NOTE: Sharp edges on the user surface!
