Description

For your biscuit factory at home, the biscuit tin from our series "Vanilla Diamonds" is an elegant complement that combines trending graphic patterns with warm, caramel colours. All your sweets are stored well here.

The biscuit tin from our "Vanilla Diamonds"-design series is made of tinplate. It can be used for storing little cakes or biscuits, and for giving little presents.

For cleaning, use warm water, a little bit of washing-up liquid and a cloth. Do not put in the dishwasher. Dry thoroughly after cleaning.
