

Display – Baking tray roller – 10 parts Article number: 802025

High quality beech wood

Description

We have designed this special tray rolling pin to make spreading dough on baking trays easier: it allows you to roll precisely along the edges and well into the corners.

Our kitchen helpers are made of high-quality beech wood.

We advise to wash up the kitchen helper with a mild detergent and a dishcloth or a dishwashing brush after use.

Note regarding our wood products: Wood is a natural product and therefore can differ in shape and colour.
