

Professional – Rolling pin – with silicone surface

Article number: 803503

Stainless steel / silicone – not dishwasher-safe

Size: ø 5 cm / L 49 cm

Colour: white

Description

Easy and even rolling out of modelling clays. Perfectly suited for rolling out and winding up fondant- and marzipan coatings.

The coating of the rolling pin is made of high quality, food-safe silicone. Clean up with a damp cloth before using. After use the pin can be washed up slightly with water and detergent or just be cleaned up with a damp cloth again. Do not wash it up with running water! Do not lay into rinsing water! Not dishwasher-proof.

In folding box
