

Cooking spoon – Pointed – with hole

Article number: 818019

High quality beech wood
Size: 25 cm

Description

A kitchen would not be a real kitchen without a cooking spoon. And the traditional wooden spoon is still the best choice.

This natural material is durable, robust and protects pots and pans.

Our kitchen helpers are made of high-quality beech wood.

We advise to wash up the kitchen helper with a mild detergent and a dishcloth or a dishwashing brush after use.

Note regarding our wood products: Wood is a natural product and therefore can differ in shape and colour.
