filling quantity: 1300 ml
plastic-coated with non-stick effect

Ice Cream Container with Lid – BPA-Free, Double-Walled, Freezer-Safe

Description

This high-quality ice cream container is the perfect companion for anyone who loves homemade ice cream. Made from BPA-free plastic, it features a non-stick interior, making it easy to scoop out every last bit. The double-walled insulation keeps your ice cream fresh and perfectly chilled – ideal for freezer storage.

The container is temperature-resistant from -50°C to +100°C, ensuring versatility in use. The shatterproof, freezer-safe lid securely seals your ice cream and prevents flavour loss. Please note that the container is not dishwasher safe – for long-lasting quality, we recommend handwashing.

Key Features:

- BPA-free plastic: Safe and food-friendly.
- Non-stick interior: Easy scooping with no leftovers.
- Double-walled insulation: Keeps your ice cream cool and fresh.
- Temperature-resistant: Suitable for -50°C to +100°C.
- Shatterproof lid: Secure and freezer-safe.
