

Cake cutter – with a double blade wire

Article number: 911000

Stainless steel – rustproof – dishwasher safe
Size: 34 cm
glossy

Cutting width ca. 32 cm

Description

You want to cut your cake into equal layers of every required thickness? Not a problem at all with our cake cutter! Set the stainless saw wires to the desired height on both sides. Grab the cutter with one hand and pull it through the cake base with a slight sawing movement. That's it! Spare wires also available (Item no. 911024).

Made of high quality and high-grade steel. Stainless and dishwasher-proof.

In folding box for hanging up
