

## Cookie Cutter – Creative – Set, 52 parts

PP plastic – food safe – dishwasher safe

Size: 3-8 cm

For cutting out dough, sugarpaste or marzipan. Also suitable for crafting or modelling (e.g. modelling clay, wax)

### Description

Fantastic motives like vehicles and sports, but also letters of the alphabet and numbers. This is where real fun starts. After baking, the cookies can be decorated with food colour pens, icing, chocolate and sugar pearls. Not only suitable for cookie dough, but also for fondant, sugarpaste, marzipan and other modelling clays.

We have a huge range of motives in stock. There is something for everyone!

Have fun with baking and enjoying.

After cleaning up the cookie cutters, just store them away in the box, so that nothing gets lost.

This cookie cutter is made of polypropylene. The cutter is very robust and well-suited for children's hands.

We advise to wash up the cutter with running, warm water straight after use.
