Description

With the separable outer ring you can cut out the base part for your linzer cookies. For the upper part we have a wide range of linzer cookie cutters with ejector and lots of different motives. Bake the cookies as usual, let them cool down and put them together with the help of jam, marmelade, icing or nougat cream – that's it. Enjoy baking and decorating.

You can find delicious recipes in our recipe portal. For more motives, have a look in our cookie cutter range. The cookie cutter is made of high-grade stainless steel, dishwasher-proof and food-safe. The cutters are spot-welded. You can identify stainless steel due to the polished and shiny surface. This Cookie cutters can not only be used for cutting out dough, but also in the decorative and creative do-it-yourself and hobby field for modelling clay and salt dough or for felt work and candle and soap manufacture.
