Material: stainless steel / plastic  
Size: ø 4 cm

Content:  
1 cutter (stainless steel),  
3 decorating stencils (plastic)

Perfect for decorating with airbrush food colours. Can also be used for icings, cocoa and icing sugar.

### Description

With this set you can cut out cookies or modelling clays and garnish them with the decoration templates – creatively with airbrush or just with icing or cocoa.  
The cookie cutter is made of stainless steel and is rust-free, dishwasher-safe and food-safe. We recommend to clean decoration stencils by hand using a soft cloth and a mild detergent.
