

Cake base – rectangular

Article number: 491021

Material: aluminium
Size: 43 x 32 cm
Surface: matt

The indispensable assistant for the production of cakes.

Description

A practical, stable base for decorating cakes or pies or for lifting your work of art from the worktop onto the serving plate.

The cake plate is made of light and food-safe aluminium. We advise to wash it up with mild detergent, hot water and a dishwashing brush.

The protective foil must be removed prior to the first use.
