

Cake base – rectangular

Article number: 491090

Material: stainless steel
Size: 43,5 x 32 cm / H 0,8 mm
Surface: glossy

The indispensable assistant for the production of cakes, made of high quality stainless steel.

Description

A practical, stable base for decorating cakes or pies or for lifting your work of art from the worktop onto the serving plate.

With practical centimeter division at the edge for accurate cutting of the cake.

The cake plate is made of sturdy, shiny stainless steel and of course dishwasher-suitable. We advise to wash it up with mild detergent, hot water and a soft cleaning cloth.
