Description

Our cake moulds are of a professional quality. Let a simple pound cake become a real work of art. For a children birthday party use a horse or a pirate ship, for mother's day a heart, for younger and older soccer fans a football or a soccer field.

Our range includes classical and inventive baking pans, but also pans for children. A cake does not always have to be round.

With non-stick coating for finest baking results. Wash up the baking pan with hot water, mild detergent and a dishcloth. Do not use an abrasive or cleansing sponge or abrasive agent. Not dishwasher-proof. Temperature-proof up to 230°C.
