

Blind baking balls – made of ceramic

Article number: 931008

Material: ceramic
Colour: white
filling quantity: 600 g

Reusable

For blind baking dough.

Description

The blind baking balls prevent the dough from rising and the crust from slipping. To prevent the balls from sticking to the dough please use baking paper in between.

Made of ceramic. Should be washed in rinsing water with a dishcloth or dishwashing brush. Spread on a tea towel to dry.

Manual

Unfit for human consumption. Note, small parts that may be swallowed – keep away from children.
