For making dainty, edible sugarcraft borders

Description

With our cake lace moulds you can create filigree and edible lace decorations. To achieve a perfect result, we would advice you to use our cake lace mix, which is available in various colours. With these impressive ornaments, you give your cakes a unique look. You can place the lace decorations on fondant, but also on buttercream.

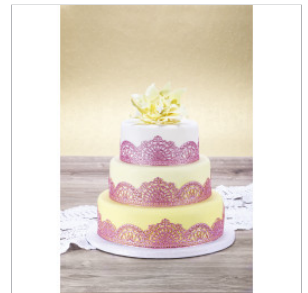

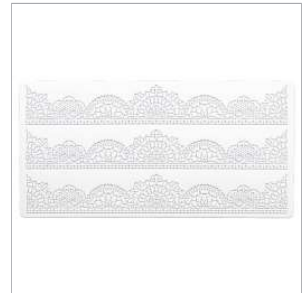

Our range includes various designs of border moulds – there is something for everyone!

Our cake lace moulds are made of flexible and food-safe silicone-caoutchouc of a professional quality.

Suitable for oven, microwave and freezer.

Not cut-resistant. Only clean by hand with warm water and a mild detergent. Not dishwasher-proof.

In folding box for hanging up. With instructions

Manual

Also suitable for surfaces such as sugarpaste and buttercream icing. Use with our cake lace mix.
